Whether you're designing a custom kitchen countertop for a new home or aiming to transform your current space into a serene haven, Landmark Countertops is here to guide you through the entire process. From material selection to fabrication in our state-of-the-art facility, and smooth installation, we handle every aspect to ensure a hassle-free experience from start to finish.

Established in 2002, our company has flourished and now includes over 18 dedicated employees—combined, our team boasts a wealth of over 150 years of collective expertise. At the core of our mission is a commitment to delivering outstanding service, an extensive product range and unparalleled cutting, fabrication and installation quality. Since day one, our vision has centred on fostering a familial and welcoming atmosphere within our company.

We extend a warm invitation for you to reach out to us or visit our showroom—experience firsthand why we believe you'll appreciate our company as much as we do!

We have used Landmark for many projects and have always been very happy with the service, product quality and pricing. Trevor, Matt and their team are knowledgeable and take good care of their clients. The installation crew works carefully and consciously—that's important to us! We are thankful to have Landmark as one of our valued trade partners.
