For 23 years, Landmark Countertops in Kelowna, British Columbia, has been proudly servicing their clients as a trusted provider of high-quality custom surfacing options. They specialize in a wide range of materials, including granite, quartz, marble, and other premium options, catering to diverse styles and functional needs.

Known for their expert craftsmanship and attention to detail, Landmark Countertops works closely with homeowners, builders,

and designers to create unique surfaces that elevate kitchens, bathrooms, and other spaces.

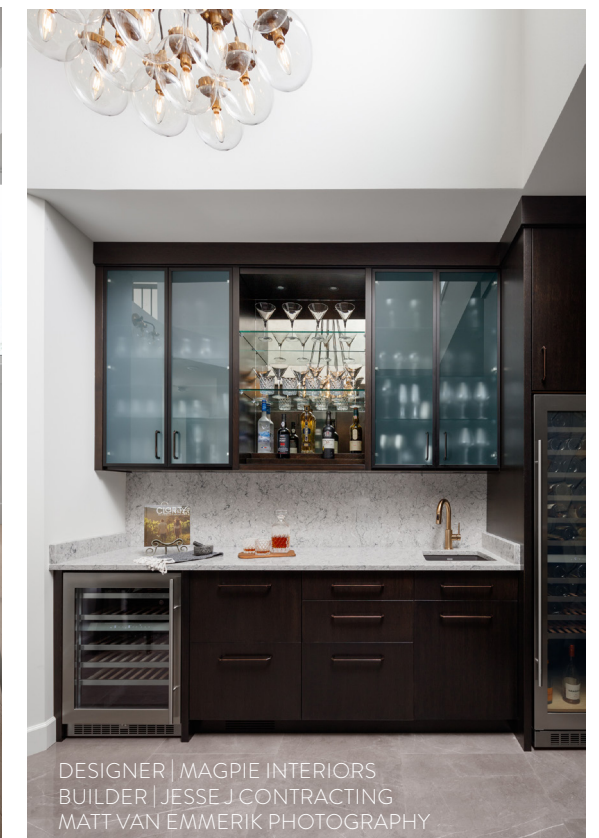

With a commitment to customer satisfaction and the latest design trends, Landmark has become a top choice in the Okanagan for those seeking beautiful, reliable, and long-lasting stone options that enhance any interior. Visit them at their showroom or online and get inspired!
